

Name _____

Date _____

1-5 Dividing Whole Numbers with Remainders

Find the quotient and remainder of each division problem. Then answer the question at the bottom of the page.

1. $25 \overline{)410}$

2. $31 \overline{)2,334}$

3. $12 \overline{)1,076}$

4. $130 \overline{)2,347}$

5. $92 \overline{)3,318}$

6. $86 \overline{)1,983}$

7. $68 \overline{)2,792}$

8. $54 \overline{)3,729}$

9. $74 \overline{)3,850}$

10. $46 \overline{)4,509}$

Look at your remainders. What is the pattern? _____
